

The Ohio Council of Teachers of Mathematics Memorial Scholarships

In 2008 the Ohio Council of Teachers of Mathematics will be awarding six \$750 scholarships. These scholarships will be awarded to any student who will be a junior, senior, or graduate student in the fall of 2008 at a college or university in Ohio who is working towards a teaching certificate or license in a field which includes the teaching of mathematics in kindergarten through twelfth grade. Individuals who have taught professionally are not eligible for these scholarships. The scholarships will be awarded in July of 2008 and applicants need to be attending school in the fall of 2008 and entering their junior year, senior year, or be a graduate student in the fall of 2008.

If you are interested in applying for this scholarship, please submit the following items:

1. A completed application.
2. A copy of your current college transcript. Please make certain that the transcript includes the course titles and not just course numbers.
3. A letter of support from a college/university faculty member or cooperating teacher.

Please mail these items to:

Richard Glove
Mayfield High School
6116 Wilson Mills Rd.
Mayfield Village, Ohio 44143

Applications must be postmarked by April 15, 2008.

Please feel free to duplicate the application forms.

Anticipated graduation date _____

List the courses which you have taken which relate to your future career as a mathematics educator.

Please answer the following questions. You may use a word processor and answer these questions on another sheet of paper. **Please place your name on every page. Since the evaluators have many applications to read, please limit your responses to approximately one-half page.**

1. Why have you chosen a career which involves mathematics education. What are your personal goals as they relate to a career in education?
2. Describe a teacher of mathematics who has influenced you. Explain how this individual influenced you and what effect his or her influence will have on you in the future.
3. **List** any activities related to education in which you have been involved. Examples may include:
 - a. leadership positions in an organization
 - b. tutoring
 - c. camp counseling
 - d. child care / baby sitting / day care work
 - e. honors or awards
 - f. presentations made at a conference or meeting
 - g. articles that you wrote or helped to write for a newsletter or some publication.
