Honors

Students graduating with honors are distinguished by wearing gold honor cords. Summa Cum Laude students are further distinguished by wearing engraved honor medallions. Class remarks are offered by the student attending the ceremony who has maintained a 4.0 accumulative grade point average (GPA) with the largest number of credit hours. The 4.0 student with the second largest number of credit hours leads the pledge of allegiance. Grade calculations through the quarter of graduation determine the appropriateness of posting HONORS on the student's transcript and Summa Cum Laude, Magna Cum Laude, or Cum Laude on the diploma. Graduates' grade point averages and honors designations printed in this program are based on calculations of all grades through the quarter prior to their graduation quarter.

- *** Summa Cum Laude (With Greatest Praise) 4.000 GPA
- ** Magna Cum Laude (With Great Praise) 3.999 - 3.850 GPA
- * Cum Laude (With Praise) 3.849 - 3.500 GPA
