

Ohio Growth Summit 2008

Center for Workforce Development at Columbus State Community College

Wednesday, June 11, 2008

8:30 am to 2:30 pm

The future belongs to innovators who can turn ideas into action, in other words, entrepreneurs and small business owners like you. The Ohio Growth Summit is a celebration of your spirit and "make it happen" attitude. Network with over 200 entrepreneurs and business development professionals as you learn from a unique mix of national and local presenters who provide true "takeaway, put to work in your business immediately," value to attendees.

If you are interested in putting your business on the fast track to success, this is an event you can't afford to miss.

Keynote Speakers

Janis Mitchell, President, CEO and founder of Precise Resource, Inc., has been a leader in the talent acquisition and technology industries for over 15 years. Be inspired as she shares her experience and business prowess as a successful entrepreneur three times over.

Dr. Melvin Gravelly, II, founder of the *Institute for Entrepreneurial Thinking*, will deliver a fast-paced, motivational program that promises to change the way you think about success. His enlightening and entertaining stories will illustrate key ideas and help you create new connections to the things you really want and the role your thinking plays in achieving them.

www.entrethinking.com

Steve Anderson PhD, M.B.A., Psychologist, and author will discuss the psychological impact your business' life cycle can have on you mentally and how to roll with the punches while keeping your eye on the prize.
