Board representation. The members were asked to Fax back their selections to the President’s
office.

ANNUAL REORGANIZATION OF THE BOARD

Trustee Mead, as chair of the nominating committee, advised the Board that, after discussion with
the Board members, and with their unanimous agreement, it was decided that it was time to review
the nominating process by setting aside a time to have a more detailed discussion regarding how
the Board wants to deal with the challenge of providing continuity of the nominating process.
However, due to the late appointment of the new Trustees, normal discussions were not possible.
Therefore, it was the consensus that the Board would proceed with the annual elections until after
such time as the goals of the Board have been put into place for the coming years, and to look at a
longer term of office and amending the nominating process. It was also noted that the Chairman
would take the responsibility of appointing a new delegate to the OACC.
ELECTION OF OFFICERS FOR 2008

Member Mead chaired the Nominating Committee for election of Board officers for 2008. The committee, which also included President Val Moeller and Trustee Michael Flowers, reviewed the necessary criteria developed by the members of the Board of Trustees as to what leadership qualities are important as they relate to the Board Chair and Vice-Chair of the Board.
