

# COURSES DESIGNED WITH VETERAN STUDENTS IN MIND

## Available Autumn Semester 2017

### COLS 1100

#### First Year Experience Seminar

Lecture: Tuesday 1700-1750      Credit Hours: 1  
Section: COLS 1100 068 07482

#### Course Description:

The First Year Experience Seminar provides students with an introduction to the college. It emphasizes skills and resources necessary to be successful in their personal, academic and career-related pursuits. The course includes an orientation to college resources, policies, and processes. Veterans may register directly for this class. If you have any questions, please contact the instructor, Mr. James Gilchrist-Elliott at [jellio01@cscc.edu](mailto:jellio01@cscc.edu).

Prerequisite: Required course within the first 15 hours at Columbus State Community College.  
Lab fee: \$2.00

### ENGL 1100

#### Composition I

Lecture: Tuesday 1900 - 2150      Credit Hours: 3  
Section: ENGL 1100 150 09801

#### Course Description:

English 1100 is a beginning composition course which develops processes for critically reading, writing, and responding to a variety of texts in order to compose clear, concise, expository essays. The course facilitates an awareness of purpose, audience, content, structure and style, while also introducing research and documentation methods. Course reading and writing assignments may be thematically organized. Veterans may register directly for this class.

Prerequisite: ENGL 0190, minimum grade of "C" or COMPASS writing score of 69-99.  
Lab fee: \$5.00

### BIO 1111

#### Introduction to Biology

Lecture: Tuesday & Thursday 1100-1220      Lab: Wednesday 1100-1250      Credit Hours: 4  
Section: BIO 1111 150 09805

#### Course Description:

This is an introductory course in general biology for the non-major. Topics include cell structure and function, bioenergetics, DNA structure and function, biodiversity, ecology and evolution. Sections of this course are H-designated Honors classes. Lecture: 3 hours – Lab: 2 hours. Veterans may register directly for this class.

Prerequisites: High school biology or BIO 0100 and placement into ENGL 1100 or passing the departmental BIO 0100 proficiency test. Lab fee: \$20.00
