The Admissions Office at Columbus State Community College is very excited to work with your school and your students. It is our desire to help educate students and the community about in-demand careers, career pathways, the college experience and how Columbus State Community College can help students achieve their goals.

We offer many opportunities for collaboration beyond the traditional college visit, such as:

- Classroom presentations (i.e., Business, Science/STEM, Family Consumer Science, Career, AP, Honors, and ESL classes, etc.)

- Presentations during:
  - High school in-service days
  - School counselor meetings
  - Teacher/staff meetings
  - College Information Nights/Fairs
  - Financial Aid Nights
  - Parent groups/PTO

- Topic specific programs, including:
  - Transfer Opportunities & Resources
  - College Readiness/College Planning
  - Financial Aid
  - Career Planning

- Personal appointments with students and families

- Columbus and Delaware Campus Tours, Visitation Programs, and Information Sessions

- On-line chat opportunities
  - Targeted days and times
  - Virtual Visits

Please contact your College Coach for more information.
We look forward to collaborating with you and your school!
