Written by: Faizal Hussein

The program is home of the “Mr. B challenge”. This Challenge is fun and at the same time challenging to the minds of the brave souls who try it. This challenge is made by the one and only Mr. B! He’s the true master mind behind the hard and challenging questions. We all at the program are glad to have Mr. B as our Challenge maker and instructor!

The students are enjoying reading and summarizing the book with our wonderful staff member Mrs. Brooke. The following students that are included in the book club this month are Samira Ahmed, Hajira Dahir, Faizal Hussein, Muna Abdi, Abu Sheikh, Amina Ibrahim, Mohamed Abubaker, Henry Flores, Jonathan Sandoval, Amal Abdi, and Mohamed Abdullahi.
St Patrick’s Day Scavenger Hunt

The long awaited St Patrick’s Day scavenger hunt returned with cheers from the students at Emerald Glen. Children were racing around solving intricate math problems and limerick riddles to complete the hunt. Coins of gold (chocolate) were won by the third grade team. This team worked well together, checking their answers carefully before going to the next clue. Great job team!
