How to register with Disability Services:

**Step 1: Check if you already have verification of a disability**
This could be an IEP/SO4 plan AND ETR from high school, a BVR assessment, an audiogram, a psychological evaluation etc.

If no

Are you working with a professional regarding your disability such as a psychologist, M.D., social worker etc.? If so, they can fill out a Disability Verification Form for you.

If no

Meet with or contact an Advocate to discuss other ways to be eligible for services

If yes

Make a copy of your verification and drop the copy off to our office in Ebling 101, fax it to 614-287-2629 or scan and email it to DsDocumentation@csc.edu

If yes

Obtain a copy of the Disability Verification form from our office in Ebling 101 or download it from our website: http://csc.edu/services/disability/forms.shtml
Have that professional fill out the form and submit it to our office.

**Next Steps:**
When we receive your disability verification, an Advocate will review it and determine your eligibility for services. The Advocate will follow-up with you in a week via your Columbus State email address, so be sure to check it.
