Honors

Students graduating with honors are distinguished by wearing gold honor cords. Class remarks are offered by the student attending the ceremony who has maintained a 4.0 cumulative grade point average (GPA) with the largest number of credit hours. The 4.0 student with the second largest number of credit hours leads the Pledge of Allegiance. Grade calculations through the semester of graduation determine the appropriateness of posting HONORS on the student's transcript and Summa Cum Laude, Magna Cum Laude, or Cum Laude on the diploma. Graduates' grade point averages and honors designations printed in this program are based on calculations of all grades through the semester prior to their graduation semester.

***** Summa Cum Laude (With Greatest Praise) 3.950-4.000 GPA**

**** Magna Cum Laude (With Great Praise) 3.800 - 3.949 GPA**

*** Cum Laude (With Praise) 3.500 - 3.799 GPA**
