INSTRUCTIONS FOR COMPLETION OF HEALTH RECORD and Acknowledgment form

(Digital in Immuware)

- Please read and follow all instructions so we can process your records as quickly and accurately as
 possible. If you do not follow instructions or do not submit <u>complete information</u>, processing of your
 health record might be delayed, which might delay your ability to register into your courses. All
 information must be complete before uploading and before you will be eligible to register.
- 2. If you are providing photos, please ensure the photos are light and clear; no other objects are to be present in your photo other than your documents.
- 3. The health history and physical must be on CSCC forms. If you have had a physical examination within the past year, it must be transcribed on CSCC Physical form by the physician, physician assistant, or nurse practitioner.
- 4. It is **your responsibility**, not your physician's, to make certain that all health requirements have been completed and documentation of all items is submitted to the college. Please verify that you have the appropriate documents prior to submitting them to the college.
- 5. Records will not be reviewed until all health requirements for your program have been uploaded. Records are processed in the order they are received. Completed health records received by the deadline are processed within 1-5 business days. Completed health records received after the deadline are processed within 5-10 business days from the date of submission
- 6. Please ensure you have uploaded all required documentation to Immuware before calling health records to inquire about your submission.

OUESTIONS?? Call 614-287-2450

The information you are reporting to Columbus State Community College, Office of Student Health Records is used to meet the health requirements determined by the college's clinical affiliates, and to verify your ability to perform essential functions of the clinical tasks safely.

It is the policy of Columbus State Community College not to discriminate against any individual. This assurance of non-discrimination includes applicants for academic admission, and shall be applied regardless of sex, race, color, religion, national origin, ancestry, age, disability, genetic information (GINA), military status, sexual orientation, and gender identity and expression.

I certify that the health information I have given is accurate and complete. I understand that providing false information on this document is a serious offense which will result in disciplinary action. I understand that if my health, physical condition, or physical abilities change during my enrollment in a health-related program at Columbus State Community College I must report these changes to my program coordinator and to the Student Health Records Office. I understand that physical exam and tuberculin testing results may be released to clinical sites prior to my clinical/practicum experiences. I understand that conditions which may affect my ability to perform essential functions of the clinical tasks, or which may affect my ability to function with safety for myself and/or others might be discussed with my department chair or program coordinator.
