Information for Applicants to the Nursing Program with Previous Credit for NURC 1001/1101 and NURC 1102

**STNA – Nurse Aide**

All applicants for the Blended and Traditional Tracks of the Nursing Program beginning with the Autumn 16 classes must be able to produce a STNA card issued within the last two years or be listed on the Nurse Aide Registry “in good standing”. A copy of the card will be uploaded as part of the application.

Applicants must provide a copy of his/her current STNA card

Or

An applicant who is a previously State Tested Nurse Aide will provide documentation of employment in a health care setting as a health care provider for a minimum of 8 hours within the past 24 months. The Nursing Admissions Committee will review the documents for eligibility.

Further information regarding the Nurse Aide Registry Requirements are available at the following websites:

**NURC 1102 – Patient Care Skills in place of NURC 1104**

1) Students accepted into the Autumn 2016 Nursing Class will be able to substitute NURC 1102 for NURC 1104 (in the nursing plan of study) if they took the course winter 2015 through summer 2016.

2) Student accepted into the Spring 2017 Nursing Class will be able to substitute NURC 1102 for NURC 1104 (in the nursing plan of study) if they took the course summer 2015 through autumn 2016.

3) All nursing classes beginning autumn 2017 and beyond must take NURC 1104 as indicated in the nursing plan of study.

- A student who chooses to take NURC 1102 within the time frames indicated in #1 and #2 above, but is not admitted to the Nursing Program until autumn 2017 or beyond, will be required to take NURC 1104 as indicated in the nursing plan of study.
