COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

Date:	

SUBJECT:

Revise Policy 7-14, Reporting of Felonies and Other Violent Crime

BACKGROUND INFORMATION:

Policy 7-14 establishes the parameters under which the College evaluates the criminal history of applicants and currently enrolled students. Under the current Policy, an applicant or currently enrolled student is obligated to report any felony convictions and any prior convictions (typically misdemeanors) involving violence, harm to others, or weapons in any state or country. The current Policy further provides that the College may deny admission based on the nature and circumstances of the crime.

The proposed revisions to Policy 7-14:

- (1) maintain the requirement for felony reporting;
- delete language related to the reporting of violent misdemeanor convictions (research indicates that review of felony convictions is the most effective method for impacting campus safety and efficiently utilizing administrative resources);
- (3) establish reporting conditions for currently enrolled, returning and previously enrolled students;
- (4) allow the college to deny, defer or place conditions on continued enrollment;
- (5) situate administrative review within the Office of Student Conduct; and
- (4) amend the title of the Policy to "Felony Reporting."

RECOMMENDATION:

That the Board of Trustees adopts the proposed revisions to Policy 7-14, Reporting of Felonies and other Violent Crime.

The college may deny, DEFER, OR PLACE CONDITIONS UPON admission based on the nature and circumstances of the crime.
- (B) Admitted CURRENTLY ENROLLED students are required to self-report any felony conviction or conviction involving violence, harm to others, or weapons in any state or country subsequent to application (including plea bargains) to the Dean of Enrollment Services and the Dean of Student Life OFFICE OF STUDENT CONDUCT in writing before registration begins for the term SEMESTER following the conviction. The college may deny, DEFER, OR PLACE CONDITIONS ON continued enrollment based upon the nature and circumstances of the crime.

SUBJECT:

Revise Policy 13-01, Facilities Use

BACKGROUND INFORMATION:

As a publicly-funded institution of higher education, Columbus State Community College is responsible to its students and taxpayers for the appropriate and effective use of its facilities. The Facilities Use Policy 13-01 establishes the parameters for use of the College's facilities for internal and external events.

The Policy currently states only that "no person or organization shall be excluded from rental or use of college facilities based on age, gender, race, color, creed, disability or national origin." The Board of Trustees has updated its non-discrimination and anti-harassment policies, and the proposed revision makes express reference to the College's updated Non-Discrimination/Anti-Harassment Policy 3-43.

RECOMMENDATION:

That the Board of Trustees adopt the proposed revisions to Policy 13-01, Facilities Use.

COLUMBUS STATE COMMUNITY COLLEGE POLICY AND PROCEDURES MANUAL

(A) *Purpose:* As a publicly-funded institution of higher education, Columbus State Community College is responsible to its students and taxpayers for the appropriate and effective use of its facilities. No person or organization shall be excluded from rental or use of college facilities based on age, gender, race, color, creed, disability or national origin. RENTAL OR USE OF COLLEGE FACILITIES SHALL BE IN COMPLIANCE WITH THE COLLEGE'S NON-DISCRIMINATION/ANTI-HARASSMENT POLICY 3-43.

- (B) Employee groups recognized by the President and registered student groups may use campus facilities at no charge.

- (F) In extenuating circumstances, the President may waive provisions of this policy or related procedures if doing so will advance the college's mission.
- (G) The President shall establish procedures to administer this policy.

SUBJECT:

Compensation - Limited Authorization to Increase Maximum of Pay Bands and Pay Ranges

BACKGROUND INFORMATION:

The College has a broad band pay classification for non-bargaining unit staff. Additionally, each bargaining unit group (Teamsters – Physical Plant; FOP – Police Department; and CSEA - Full-Time Faculty) are subject to their own maximum pay ranges per each respective collective bargaining agreement. Historically, when employees reach the maximum of their pay band or range, they have been "redlined," meaning their salaries have been capped without promotion, and they have been deemed ineligible for a base salary increase.

Pursuant to Policy 3-04, *Employee Salaries*, changes to salary bands and pay ranges require Board approval. As a result of the 2.5% base salary increase that is effective July 1, 2013, approximately nine (9) employees will exceed the maximum salary for their classification band. The impacted bands are Professional; Paraprofessional Full-Time; Manager; and Staff Classification 4, 27 and 32. Accordingly, the College is recommending that the Board of Trustees grants to the Vice President of Human Resources a limited authorization to increase the maximum of the pay band or range for all employees who are eligible for a 2.5% increase to their base salary and would otherwise be subject to a salary cap.

RECOMMENDATION:

That the Board of Trustees grants to the Vice President of Human Resources a limited authorization to make necessary adjustments to the maximum pay bands for certain classifications so that all employees who are eligible for a 2.5% base salary increase may receive such increase.

SUBJECT:

Financial Statements as of May 31, 2013

Attached are the financial statements of Columbus State Community College District, the Foundation, and the President's Discretionary Fund for the period ended May 31, 2013.

During this year of transition from a quarter- to a semester-based calendar, actual revenue and expenses for FY13 will be discussed in the context of the Board-authorized budget.

1. General Fund

These financial statements include comparisons of actual-to-date compared to the Revised FY 13 Budget approved by the Board in January.

. Enrollment

			Budget to			
			Actual	Actual		
	Budgeted		Increase/	FY 12	FY 13	%
Term	Headcount	Headcount	Decrease	FTEs	FTEs	Variance
Summer 2012	20,001	18,265	-8.7%	11,699	10,029	-14.3%
Autumn 2012	29,375	25,970	-11.6%	20,257	15,161	-25.2%
Spring 2013*	24,368	25,312	3.9%	18,502	15,284	-17.4%

^{*}FY13 preliminary headcounts and FTEs

• Revenues (Exhibit B)

Spring FTE enrollment was budgeted at 5% less than Autumn, and ended up approximately 1% higher. Additionally, Summer 2013 revenue is approximately 35% higher than budget. Because Summer term straddles two fiscal years, 54% of the term's revenue will be accounted for in FY13.

• Expenditures (Exhibit B)

Projected Year End estimates at this time indicate the \$3.9M in reserves allocated from the Delaware Campus and Budget Tuition Stabilization accounts will not be necessary to balance the year-end operating budget, as anticipated. Spending is projected to be approximately \$142.4M or 1.8% less than the revised operating budget authorized by the Board in January 2013. The increased expense in Education and General is attributable to instructional costs resulting from higher than budgeted Summer 2013 enrollment. The increase in Summer 2013 enrollment yielded projected net income higher than budgeted. If projected-year end estimates hold, the College will be able to allocate \$2M for capital equipment purchases that had been deferred due to challenging budget circumstances.

Board of Trustees Financial Statements as of May 31, 2013 Page 2

2. Auxiliary Fund (Exhibit D)

As of May 31, the auxiliary fund's actual revenues are tracking at 102.6% of the revised FY 13 budget, while expenses are tracking at 84% which is 7.3% lower than budgeted for the time period. Revenues for the bookstore exceeded revised budget because the majority of sales for Summer semester occurred in the current fiscal year whereas last year the sales were in both fiscal years because of the timing of the start of the term.

3. President's Discretionary Fund (Exhibit F)

The President's Discretionary Fund has a cash balance of \$18,369 at May 31, after disbursements of \$1,631.

4. **Foundation** (Exhibits G and H)

Foundation contributions through April are \$571,051, compared to \$501,099 through May of last year. Contributions are higher this year due to a \$100,000 pledge received in November. Management and General expenditures are \$108,265 compared to \$149,700 through the same period last year and the College has supported the operations of the Foundation in the amount of \$245,053 compared to \$398,144 at the same time last year. These differences are due mainly to a decrease in salary expense during a year of transition and the timing of expenditures.

5. Investments

The College's portfolio is invested consistent with its investment policy, with 36.5% currently invested in STAROhio and other money markets, with the balance in federal agencies.
