(2) NOTICE

Written notice of the alleged policy violation(s) will be provided to the accused student. This notice will include: (1) the nature of the complaint; (2) the alleged violation(s) of the Student Code of Conduct; and (3) the date, time and location of the hearing, or directions to schedule a hearing. A hold will be noted on the accused student's record which will restrict the adding or dropping of classes or obtaining transcripts until the conduct matter is resolved. Notice will include copies of the applicable procedures that will be used to resolve the allegation. All notices are considered delivered when sent by the College.

When scheduling hearings, the College gives priority to cases of sexual misconduct, physical violence, safety and allegations of discriminatory conduct based on protected class to ensure the College provides a prompt response.

(3) ACADEMIC MISCONDUCT PROCEDURE

Instructors are encouraged to work with students to address concerns of academic expectations. When possible, instructors should meet with students and attempt to address concerns that may not rise to the level of a policy violation (i.e. improper formatting/citation, attendance, etc.). In these instances, informational reports may be submitted to the Office of Student Conduct.

In instances where the instructor recommends formal actions for alleged violations of academic misconduct (i.e. cheating, plagiarism, etc.) the following process will occur:

- (a) The instructor/college representative will notify the student of the alleged violation when possible.
- (b) The instructor/college representative will provide a full report of the incident to the Office of Student Conduct, and concurrently to the appropriate chain of authority of the reporting party, which will include the date, time, place and nature of the behavior of concern, alleged violation and any documents or statements of witnesses relative to the alleged misconduct.

- (c) The Office of Student Conduct will notify the student of the specific policy alleged to be violated as well as the options to respond.
- (d) If the student wishes to contest the allegation of academic misconduct, a hearing will take place to determine the level of responsibility and sanctions, if applicable.
- (e) If the student admits responsibility for the violation, sanctions will be enacted. Possible sanctions include:
  - (i) Sanctions for first-time violations include receiving zero credit on the assignment in question, required participation in an educational experience, and a formal warning of the progressive discipline process through the Office of Student Conduct. Mitigating and/or aggravating circumstances are reviewed in partnership with the instructor/reporting party to determine if sanctions should be adjusted.
  - (ii) Sanctions for second violations may include required participation in an educational experience (i.e. workshop, reflection exercise, etc.), receiving zero credit for the assignment in question (or failing grade for the course for multiple violations within the same course), and probationary status with the College, as appropriate. Factors used to determine the appropriate educational sanction will include: type of violation, similarity to previous violation(s), length of time between violations, and any extenuating circumstances. The Office of Student Conduct in partnership with Academic Affairs will determine if the alleged violation may warrant suspension or expulsion, in which case the matter will be referred to the Student Conduct Hearing Board as outlined in Section g, part 5 of this Procedure.
- (f) Incidents involving a student with three or more allegations of academic misconduct will be referred to the Student Conduct Hearing Board, without the option for the administrative hearing.

(4) ADMINISTRATIVE HEARING PROCEDURE

When the alleged violation does not warrant suspension or expulsion from the College, an administrative hearing is used to review allegations and determine if the student is responsible for the policy violation(s). Administrative hearings are one-on-one conversations with a conduct officer to determine responsibility for alleged violations of the Student Code of Conduct and review behavioral impact to the community. Witnesses may be called. When it is determined that a violation is likely, students are given the option to:

Page 11 of 19

- (a) Accept responsibility for the violation without having an administrative hearing and accept the sanction recommended by the conduct officer, or
- (b) Complete an administrative hearing where the hearing officer will make a decision of responsible or not responsible based on a preponderance of the evidence.

If a student is found responsible and does not accept the recommended finding of the hearing officer, the matter will be resolved by the Student Conduct Hearing Board. No appeal will be permitted from an administrative hearing.

(5) INTERIM MEASURES

- (a) The College may temporarily suspend a student or issue other interim measures pending the scheduling of a campus hearing when allegations include arrest, criminal investigation, and/or charges when there is reasonable cause due to safety concerns or continued negative impact to the individual, College, or community. See Procedure 3-44 (A), Section 11 for information regarding emergency removals related to allegations of sexual harassment/sexual violence.
- (b) The College will schedule a meeting with the student as soon as possible to determine whether the interim measure should continue until a formal resolution is reached.

(6) STUDENT CONDUCT HEARING BOARD PROCEDURE

- (a) The Student Conduct Hearing Board (SCHB) is composed of six (6) members: one (1) representative from the Office of Student Conduct who serves as the non-voting facilitator, two (2) faculty members, one (1) non-academic employee, and two (2) students selected from a pool of trained volunteers from the College. Any member of the Columbus State community may apply to become a representative of the SCHB. Individuals must be in good standing with the College and are required to participate in annual training to remain active. Efforts will be taken to avoid any conflict of interest to ensure that board members can conduct responsibilities without bias.
- (b) The accused student has the right to be assisted by a support person of their choosing. This support person does not have to be affiliated with Columbus State, but the individual will be required to review expectations of the role with the facilitator.

A support person may provide counsel and support to the student but is not permitted to speak to the hearing board or to participate directly in the hearing. If the support person does not observe this restriction, they can be removed from the hearing. No replacement support person will be permitted.

- (c) All reporting and alleged parties will be provided an opportunity to provide a list of witnesses to present pertinent information to the hearing board. Witnesses must be confirmed through the Office of Student Conduct a minimum of three (3) business days prior to the scheduled hearing. Witnesses will provide information to and answer questions from the hearing board. Questions suggested by the accused student must be directed to the facilitator rather than to the witness directly. The facilitator will determine if questions are relevant and/or permissible to ask during the hearing process.
- (d) In hearings involving more than one student in the same situation, the Office of Student Conduct may permit the hearings to be conducted jointly.
- (e) Supporting documentation, including pertinent records, exhibits, and written statements may be accepted as information for consideration at the discretion of the facilitator. All documentation must be submitted to the Office of Student Conduct a minimum of three (3) business days prior to the hearing.
- (f) Statements of a party's character are not permitted during the proceedings except in the rare case that the facilitator determines such information to be highly relevant in determining whether the policy has been violated.
- (g) The accused student, and the support person, if any is selected, will be allowed to attend the entire hearing, excluding deliberations of responsibility and sanctioning. Admission of any other person to the hearing will be at the discretion of the facilitator.
- (h) All procedural questions are subject to the final decision of the facilitator.
- (i) Formal rules of process, procedure, and/or technical rules of evidence that are commonly applied in civil or criminal court are not used in these proceedings.
- (j) If an accused student who has been given notice does not appear before the SCHB, the information submitted about the alleged violation(s) will be presented and considered in the student's absence. If no explanation of events is provided by the alleged, it is reasonable for the SCHB members to infer that no explanation is available.
- (k) The SCHB will use a majority vote to determine whether the student is responsible for violating each section of the Student Code of Conduct of which the student is accused. The SCHB's determination will be made on the basis of the preponderance of the evidence, i.e. whether it is more likely than not that the student violated the Student Code of Conduct. If a student is found to be in violation of the Student Code of Conduct, the SCHB will then deliberate on what sanction(s) it will recommend to the designee appointed by the Chief Student Affairs Officer.

- (l) SCHB hearings, excluding deliberations, will be audio recorded for the purpose of appeals.
- (m) The facilitator will complete and submit a written form to the SCHB reviewer, detailing the finding, the majority vote, and the information cited by the SCHB in support of its finding. This form must be submitted to the SCHB reviewer within 48 hours after the end of deliberations. The SCHB reviewer will implement the final determination which the party or parties will receive in writing.

(7) VOLUNTARY WITHDRAWAL AGREEMENT

In cases where a student's continued enrollment may adversely affect their well-being or the College, the Chief Student Affairs Officer, or designee, and the student may sign a written withdrawal agreement. This agreement will outline any processes for removing the student from courses and criteria for returning to the College.

(8) ADMINISTRATIVE DISENROLLMENT

- (a) A student may be disenrolled from the College, prohibited from all or any portion of College premises, College-related activities or registered student organization activities, and/or permitted to remain only under specified conditions when the Chief Student Affairs Officer, or designee, finds that there is clear and convincing evidence that:
  - (i) The student's continued presence poses a significant risk of substantial harm to the health or safety of themselves or others, or to property, or to College operations, or
  - (ii) The student, as a direct result of an apparent health condition, is engaged in substantial, continuing disruption of teaching, learning, research, administration, or other College-related activities.
- (b) Before making such a determination, the Chief Student Affairs Officer, or designee, shall notify the student in writing of the reasons that disenrollment is being considered, provide the student with an opportunity to respond, and consult with appropriate College personnel. The Chief Student Affairs Officer, or designee, may also consult with any other persons who are deemed appropriate under the circumstances.
- (c) The Chief Student Affairs Officer, or designee, may request the student to undergo a specified and appropriate examination to determine whether any health condition or disability as defined by the Americans with Disabilities Act exists that may be addressed through reasonable accommodation to reduce the risk or disruption and whether any such accommodation is possible.

If the student fails to undergo such an examination, and if the other available evidence supports administrative disenrollment, the Chief Student Affairs Officer, or designee, shall, to the extent reasonably possible, take the least restrictive measure or combination of measures necessary to resolve the risk or disruption.

- (d) A student who has been disenrolled, prohibited from College premises, prohibited from College-related activities or registered student organization activities, or permitted to remain only under specified conditions may petition the Chief Student Affairs Officer, or designee, in writing for revision of that status. The petition must include supporting documentation or evidence that:
  - (i) The conditions identified as the basis of the separation no longer exist and will not recur, and
  - (ii) The student meets all usual and appropriate College requirements for admission and enrollment, including resolving any outstanding violations of the Student Code of Conduct.
- (e) Upon receipt of such a petition, the Chief Student Affairs Officer, or designee, shall evaluate the evidence and may consult with the student, any appropriate College personnel, and any other persons deemed appropriate. The petition may be granted in whole or in part, granted in whole or in part under specified conditions, or denied.

(9) **SPECIAL PROVISIONS FOR SEXUAL HARASSMENT/SEXUAL VIOLENCE AND OTHER SENSITIVE ISSUES**

College Procedure 3-44 (A) will supersede Procedure 7-10 (G) when the College receives notice of sexual harassment, sexual assault, dating violence, domestic violence, stalking and other types of prohibited conduct as defined in Procedure 3-44 (A). The College will use the following process to address sexual harassment/sexual violence and other prohibited conduct as defined by Procedure 3-44 (A) when the prohibited conduct does not meet criteria for a Title IX hearing as described in Procedure 3-44(A). The following process also may be used to address other conduct of a sensitive nature.

In this section, the following provisions are used with regard to notification of parties and the hearing board procedure:

- (a) Complainants/victims are notified when written notices of the allegation(s) of the hearing are delivered to the respondent/accused student.

- (b) Due to the sensitive nature of sexual misconduct, these hearings will be closed to the public and at the sole discretion of the Office of Student Conduct, only those who have a legitimate reason to be present will be permitted to attend the hearing.
- (c) In cases of alleged sexual violence (such as domestic violence, dating violence, sexual assault, and sex or gender-based stalking), both parties may be assisted by an advisor of their choice who may be internal or external to the College.
- (d) Witnesses who are included in the investigative report will not be permitted to testify at the hearing unless they are presenting new information that was not available prior to the completion of the investigative report as determined by the Office of Student Conduct.
- (e) Throughout the hearing process, the complainant/victim and the respondent/accused student are to have no communication with each other.
- (f) Hearing board members for sexual misconduct cases receive additional, specialized training for these hearings. For these hearings, the board will consist of three (3) employees, where at least one member will be a faculty member, in addition to a non-voting facilitator from the Office of Student Conduct.
- (g) Each party has the right to be present for all testimony and questioning. Deliberation is conducted in closed-session without the parties present.
- (h) Each party will be given the opportunity to present an impact statement to the SCHB which explains a brief perspective of the incident, how it has affected them and/or any personal growth that has resulted from participating in the investigation and hearing processes. The statement must be submitted to the facilitator for review a minimum of three (3) business days prior to hearing.
- (i) Questions from hearing board members, complainant/victim or the respondent/accused student will be submitted to the Student Conduct Facilitator for approval. Approved questions will be asked by the facilitator on behalf of the submitting party.
- (j) Both the complainant/victim and the respondent/accused student will be informed in writing of the following:
  - (i) The outcome of the investigation completed by the Office of Equity and Compliance (see College Procedure 3-44 (A));
  - (ii) Any subsequent hearing that arises from a violation of sexual violence;

- (iii) The procedures for parties to appeal the results of the SCHB;
- (iv) For reports of sexual violence, both parties will be sent written notification of the outcome simultaneously.
- (v) For reports of sexual misconduct, other than sexual violence, both parties will be sent written notification of the outcome contemporaneously.
- (k) The SCHB may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant/victim, respondent/accused student, and/or witnesses during the hearing by providing separate facilities, using a visual screen, and/or permitting participation by telephone, videophone, closed circuit television, video conferencing, video recording, audio recording, written statement, or other means as determined by the Office of Student Conduct to be appropriate.

(10) SANCTIONS

- (a) The following sanctions may be imposed by the Office of Student Conduct upon any student found to have violated the Student Code of Conduct:
  - (i) Educational sanctions – including work assignments, essays, community service, behavioral contracts, administrative referrals, or other related educational assignments.

- (d) Where there is reasonable cause to believe that a student has intentionally selected a person or persons to victimize or selected property to damage, or violated other provisions of the Student Code of Conduct because of a person's perceived or identified membership in a protected class, sanctions may be increased.
- (e) If a student is found responsible for one or more violations of the Student Code of Conduct, the student's prior conduct record will be taken into consideration and may result in progressive sanctions because of a pattern of behavior. While previous conduct violations by the accused student are not generally admissible as information about the current alleged violation, the Office of Student Conduct may supply information to the SCHB in pattern-offense situations, such as stalking, relationship violence, or sexual misconduct, only if:
  - (i) The accused was previously found to be responsible;
  - (ii) The previous incident was substantially similar to the present allegation;
  - (iii) Information indicates a pattern of behavior and substantial conformity with that pattern by the accused student.
- (f) All conduct records are kept by the Office of Student Conduct for seven (7) years from the date of the incident, and then destroyed, except in the case of expulsion from the College, as these records are maintained indefinitely.

(11) APPEALS

- (a) A student who is found responsible for violating the Student Code of Conduct may petition within 10 calendar days of the notice of the written decision for review of a decision reached or a sanction imposed. Such petitions must be in writing and shall be submitted to the Chief Student Affairs Officer and may be reviewed in partnership with the Chief Academic Affairs Officer, or their respective designees. Appeals are not permitted in administrative hearings as the cases are resolved through agreement between the hearing officer and the alleged student.
- (b) If the Chief Student Affairs Officer, or designee, determines that the appeal may be reviewed, the matter will be returned to the original hearing body, when possible, to allow reconsideration of the original determination and/or sanction(s). The Chief Student Affairs Officer, or designee, serves as the final level of review in a conduct matter.
- (c) An appeal will be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:

- (i) New and compelling evidence that was not available at the time of the investigation and any following proceedings, or
  - (ii) Procedural error that substantially impacted the findings.
- (d) Every opportunity should be taken to return the allegation to the original hearing body for reconsideration. Where this is not possible, the Chief Student Affairs Officer, or designee, may decide the appeal directly. The Chief Student Affairs Officer, or designee, may support or change a decision or modify a sanction. The Chief Student Affairs Officer will be deferential to the original decision maker, making changes to the finding only where at least one of the grounds for appeal in Section 11 (c) of this procedure is met, and to the sanction only if a compelling justification to do so exists.
