

Hello & Welcome Traditional RN program student!

You will be utilizing Elsevier products for the entire program.

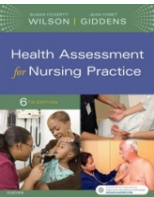

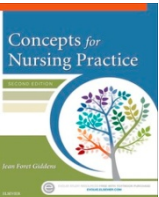

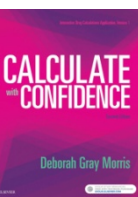

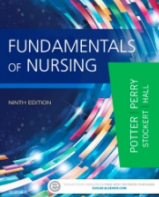

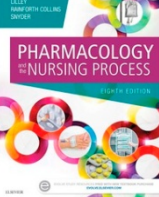

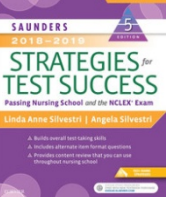

Please note - All 3 courses required (NURS 1871, NURS 1140 & NURC 1104) use the same book products.

When you go to the bookstore, you will need the ISBN #s for 2 packages to start spring semester. These are noted below.

KEEP register receipts and cards with access codes for safe keeping, even after “activating” the products.

Semester 1 – You have 2 REQUIRED packages:

#1 - Textbook Package: ADN (RN) textbook package (ISBN: 9780323559539) will be used throughout the entire program. You will receive a card, with an access code inside. Once activated, you will have access to nursing concepts online course, several e-books, along with resources, 2 adaptive quizzing courses, dosage calculation online, and other resources.

 <p>Nursing Concepts On-line – Houses a multitude of resources, to reinforce Concepts – Based Learning, including Sim Chart, Clinical Pharmacology & others</p>	 <p>Clinical Skills: Essentials Collection Clinical Skills Online - Content Library</p> <p>This houses videos, checklists, quizzes, etc. to help prepare you for skill competency throughout the program.</p>	<p>You will also receive Elsevier Adaptive Quizzing products for:</p>   <p>and These will require instructor course IDs which will be provided in orientation.</p>	
 <p>VitalSource Library houses all your e-books. All of your e-books come with a Resource as well (you will be briefed on this during orientation)</p>	      		

Estimated Student Price (without tax) is \$ 936.23

#2 - HESI Package: Traditional ADN (RN) HESI Testing package (ISBN # 9789970028603). This is a one-time purchase for HESI testing tools that will be used throughout the entire curriculum. You will receive a card, with an access code inside. Once the card is activated and you receive a course ID from faculty persons, you will have access to HESI Case Studies/Practice Tests and all proctored HESI exams.

Here is a list of exams (proctored by CSCC nursing faculty) taken throughout the program:

NURS 1871	Gerontology & Health Assessment
NURS 1872	Fundamentals
NURS 2042	Pharmacology
NURS 2871	Maternity/Pediatric
NURS 2872	Psychiatric/Mental Health
NURS 2873	RN “Entrance” & Exit; Critical Thinking & Med-Surg

These proctored exams provide information that will help prepare you for NCLEX.

Estimated Student Price (without tax) is \$409

Here is the main evolve website. <https://evolve.elsevier.com/> If or when you create an account USE your csccl e-mail only!

If you have an account with Elsevier already, be sure to change account settings to your csccl e-mail.

We will be spending lots of time getting you oriented to your new learning tools that will assist you throughout the program.

Feel free to come to orientation without opening your packages. Faculty and Elsevier reps will be on hand to help you with creating accounts, activating products, and orienting you to the products.

If you have financial Aid questions and need answers, please call 614-287-5353 or visit Student Central on the second floor of Madison Hall.

You will make a 3rd and final purchase when you start semester 2.

An ISBN will be provided prior to your 2nd semester start, along with an estimated cost.
