

# RESP Health Record Check List

- Complete a Physical Examination
- Complete Two Step Mantoux (7 day process)
- Hepatitis B -Must have 2 shots of the 3 shots (1 month wait between shots 1 and 2 to register for classes. The third shot must be done by the end of summer semester.)
- MMR shots 1 and 2 (1 month process)
- Chickenpox/Varicella shots 1 and 2 (1 month process)
- Tdap
- Flu Vaccine
- COVID Vaccine
- Contact [cnobile@csc.edu](mailto:cnobile@csc.edu) to register for RESP 1110 after your records have been processed via the health records department

*\*If you think you have already received these vaccinations, you can have titers drawn to confirm all vaccines except for TB, Flu, and Covid. Titers can be costly depending on insurance.*
