

Basic Digital Photography Certificate

2018–2019

DESCRIPTION:

This two course certificate has been designed to prepare and enrich student skill sets for beginning level understanding of digital capture and Photoshop post-production techniques. This certificate is stackable within the Intermediate and Advanced Digital Photography Certificates; as well as being embedded into the Digital Photography Associate of Applied Science degree. To further enhance the development of beginning skills and competencies in the use of digital cameras and Photoshop software for the photography industry. This certificate can serve as a great “minor” to any creative “major”. For more information, see csc.edu/academics/departments/digital-photography.

Software and/or Hardware Requirements: Students taking courses in this curriculum may need to own or have access to hardware or software to pursue this degree. This is particularly important for students who are enrolled in online/distance learning sections of a particular course. Check with the program advisor to discuss specific course needs and options.

ADMISSION REQUIREMENTS:

This is a non-selective, open-admission program.

ONGOING REQUIREMENTS:

Students must maintain the minimum overall GPA required by the College.

OPPORTUNITIES FOR GRADUATES:

Career:

The career opportunities are diverse and multi-varied as we enter the new creative economy based on digital literacy and image management. The job opportunities can range from retail and commercial photography, as well as other professional, scientific and technical industries since photography is a component of virtually every business model.

Transfer:

We have 2+2 transfer agreements with Franklin University (for the business direction) and a 2+2 with Columbus College of Art and Design (for the artistic direction) with both schools offering our students scholarships. Also, students who complete this certificate will have the courses apply to the Intermediate and Advanced Digital Photography certificates as well as the Digital Photography A.A.S. degree. All FOTO certificates are stackable.
