

## Digital Painting Certificate

### 2018–2019

#### DESCRIPTION:

The Digital Painting Certificate is for students and working professionals who want to enhance their skill sets focused on creating unique digitally painted imagery using the Wacom tablet or another digital drawing tablet with a digital pen. In this course the student will learn and use the hundreds of paint brush options, blenders, palette knife, air brush, drawing pencils and special artistic techniques that can be applied to a digital painting. For more information, see [csc.edu/academics/departments/digital-design-and-graphics](http://csc.edu/academics/departments/digital-design-and-graphics).

#### SOFTWARE/HARDWARE REQUIREMENTS:

Students taking courses in this curriculum may need to own or have access to hardware or software to pursue this degree. This is particularly important for students who are enrolled in online/distance learning sections of the course. The software that is used in this course is Corel Painter 18. Check with your program advisor or your instructor to discuss specific course needs and options.

#### ADMISSION REQUIREMENTS:

This is a non-selective, open-admission program. Students must have a high school diploma or G.E.D. equivalency.

#### ONGOING REQUIREMENTS:

Students must maintain minimum overall GPA required by the College.

#### OPPORTUNITIES FOR GRADUATES:

##### Career:
