

Adobe InDesign® Advanced Certificate 2018–2019

DESCRIPTION:

The Adobe InDesign Advanced Certificate is for students and working professionals who want to enhance their skill sets focused on industry standards for page layout, text formatting, and creating paragraph, character, object, and table styles.

Software/Hardware Requirements: Students taking courses in this curriculum may need to own or have access to hardware or software to pursue this degree. This is particularly important for students who are enrolled in online/distance learning sections of a particular course. Check with the program advisor to discuss specific course needs and options. For more information, see csc.edu/academics/departments/digital-design-and-graphics.

ADMISSION REQUIREMENTS:

This is a non-selective, open-admission program.

ONGOING REQUIREMENTS:

Students must maintain the minimum overall GPA required by the College.

OPPORTUNITIES FOR GRADUATES:

Career:

Graphic designer, packaging designer, advertising, communication designer, visual designer, content developer, production designer, layout designer, print media design.

Transfer:

Students who complete the Adobe InDesign Advanced Certificate will have the courses apply to the Digital Design and Graphics A.A.S. degree.
