

## Intermediate Photoshop for Photographers Certificate 2018–2019

### DESCRIPTION:

This four-course certificate has been designed to prepare and enrich student skill sets for intermediate level understanding of Adobe Photoshop post-production techniques, skills and production workflows. This certificate has the Basic Photoshop for Photography certificate embedded in it and is stackable within the Advanced Photoshop for Photography Certificate; as well as being embedded into the Digital Photography Associate of Applied Science degree. To further enhance the development of intermediate skills and competencies in the use Adobe Photoshop software for the photography industry. This certificate can serve as a great “minor” to any creative “major”. For more information, see [csc.edu/academics/departments/digital-photography](http://csc.edu/academics/departments/digital-photography).

Software and/or Hardware Requirements: Students taking courses in this curriculum may need to own or have access to hardware or software to pursue this degree. This is particularly important for students who are enrolled in online/distance learning sections of a particular course. Check with the program advisor to discuss specific course needs and options.

### ADMISSION REQUIREMENTS:

This is a non-selective, open-admission program.

### ONGOING REQUIREMENTS:

Students must maintain the minimum overall GPA required by the College.

### OPPORTUNITIES FOR GRADUATES:

#### Career:

The career opportunities are diverse and multi-varied as we enter the new creative economy based on digital literacy and image management. The job opportunities can range from retail and commercial photography positions that all utilize Photoshop retouching, as well as other professional, scientific and technical industries that use Photoshop and photography as a component of their workflow methods.

#### Transfer:

We have 2+2 transfer agreements with Franklin University (for the business direction) and a 2+2 with Columbus College of Art and Design (for the artistic direction) with both schools offering our students scholarships. Also, students who complete this certificate will have the courses apply to the Basic and Advanced Photoshop for Photography certificates as well as the Digital Photography A.A.S. degree. All FOTO certificates are stackable.
