

## Landscape Certificate

### 2018–2019

#### **DESCRIPTION:**

The Landscape Certificate prepares students for a variety of careers in the rapidly growing landscape profession, including maintenance, project management, sales, and horticulture. Students learn in a design studio environment as well as in the field. The certificate is offered by the Landscape Design and Management program, which is accredited by the National Association of Landscape Professionals. The Program is one of only 22 colleges or universities in the nation with this accreditation, and for the past 25 years has been ranked in the top 10 landscape programs in the country. For more information, see [csc.edu/land](http://csc.edu/land).

#### **ADMISSION REQUIREMENTS:**

This is a non-selective, open-admission program.

#### **ONGOING REQUIREMENTS:**

Students must maintain the minimum GPA required by the College.

#### **OPPORTUNITIES FOR GRADUATES:**

##### **Career:**

Upon completion of the certificate, students will be prepared to take the Certified Landscape Technician exam offered by the Ohio Nursery and Landscape Association. Those completing the certificate are qualified for careers in professional sales, and as installation managers, horticulture technicians, and garden center managers. These positions exist both in the private and professional sector as well the public sector, including municipalities, state, and federal government.

##### **Transfer:**

Coursework from the Landscape Certificate can be applied to the Landscape Design and Management A.A.S.
