

## Multi-Skilled Health: Associate of Applied Science (A.A.S.), Certificates, and Skill Enhancements Options

2018–2019

### DESCRIPTION:

Many health care facilities have reorganized and the job roles within these systems have adjusted to provide care and services based on patient needs. As a result, employment opportunities have been created for the individual who has documented competencies in a variety of health care skills. Multi-Skilled Health provides the flexibility for students to gain these important skills in health care. Many of these courses require a clinical placement. Fingerprinting and drug screening may be required for this clinical placement. The student has many options from which to choose in Multi-Skilled Health.

### Option 1: Earn an Associate of Applied Science Degree:

An Associate of Applied Science degree (A.A.S.) in Multi-Skilled Health can be obtained by choosing two or more certificate programs, at least one of which must be in MULT with the others in a variety of other health related certificates offered by the college. In addition to technical courses, students complete required general education and basic related courses. This degree allows the student to choose the certificates that best suits his/her interests or employer needs.

### Option 2: Complete a Certificate

Many certificate programs are offered through the Multi-Skilled Health Technology. These are focused, technical programs that result in a certificate of completion and are non-selective and open admission. Some courses require completion of a health record, criminal background check, and drug screening.

### Option 3: Enhance or Complement Primary Skills in Nursing or Allied Health

Many courses within Multi-Skilled Health can be taken in association with the degree option, as complements to certificate programs or as stand-alone courses that meet professional needs or personal interests.

For more information, see [csc.edu/mult](http://csc.edu/mult).

### ADMISSION REQUIREMENTS:

The MULT degree is not a selective admission program, but depending on the certificate(s) that is selected, there could be admission requirements. Students may need to attend mandatory certificate program information session to prepare for that certificate. Students may need to submit a health record and have a criminal background check and drug screen.

### ONGOING REQUIREMENTS:

Depending on the program, students may be required to update their health record. Students must maintain the minimum college GPA.

### OPPORTUNITIES FOR GRADUATES:

#### Career:

Career and employment opportunities are varied based on the certificates chosen to pursue within the degree

#### Transfer:

Transfer opportunities vary depending on the certificated obtained as a part of this degree.

**DEGREE REQUIREMENTS (MULTI-SKILLED HEALTH A.A.S.):****FIRST SEMESTER**

Course	Term	Credits	Milestones
ENGL 1100 Composition I	AU/SP/SU	3	
MLT 1100 Basic Concepts in Health Care	AU/SP/SU	2	
MULT 1110 Medical Terminology	AU/SP/SU	2	
MULT Technical Certificate		1-4	
COLS 1100 First Year Experience Seminar	AU/SP/SU	1	
<b>Semester Credits</b>		<b>9-12</b>	

**SECOND SEMESTER**

Course	Term	Credits	Milestones/Progress Check
HUM elective (select from GE-HUM list)	AU/SP/SU	3	
MULT Technical certificate		1-4	
MULT Technical certificate		1-4	
MULT Technical elective		1-4	
MULT 1160 Exploring Healthcare Professions	AU/SP/SU	1	• Certificate decisions are made
STAT 1350 Elementary Statistics	AU/SP/SU	3	
<b>Semester Credits</b>		<b>10-19</b>	

**THIRD SEMESTER**

Course	Term	Credits	Milestones/Progress Check
BIO 1101 Fundamentals Human Anatomy & Physiology	AU/SP/SU	3	
MULT Technical Certificate		1-4	
SBS elective (select from approved GE-SBS list)	AU/SP/SU	3	
MULT Technical Certificate		1-4	
<b>Semester Credits</b>		<b>8-14</b>	

**FOURTH SEMESTER**

Course	Term	Credits	Milestones/Progress Check
Basic Elective		2	
MULT Technical Elective		1-4	
MULT Technical Certificate		1-4	
COMM 1105 Oral Communication or COMM 1110 Small Group Communication	AU/SP/SU	3	
MULT Technical Certificate		1-4	
<b>Semester Credits</b>		<b>8-17</b>	

**FIFTH SEMESTER**

Course	Term	Credits	Milestones/Progress Check
BIO 2215 Introduction to Microbiology	AU/SP/SU	4	
MULT Technical Elective		1-4	
MULT Technical Certificate		1-4	
MULT 1120 Cardiopulmonary Resuscitation	AU/SP/SU	0.5	
MULT 1170 Current Issues: HIV Infection	AU/SP/SU	1	
CHEM 1113 Elements of Organic/Biochemistry	AU/SP/SU	4	
Technical Electives -1.5 credit hour minimum		1.5-3	
<b>Semester Credits 12.5- 20.5</b>			
<b>Total 46.5-79.5</b>
