

Off-Camera Flash Certificate

2018–2019

DESCRIPTION:

This two course certificate has been designed to prepare and enrich student skill sets for beginning to advanced level understanding of using off camera flash for still photography. It covers gear/equipment, various methods of triggering off camera flash, multiple flash setups, how to balance flash/ambient light, and get perfect exposures using manual mode. This is a great certificate for anyone who wants to bring their photography to the next level. For more information, see csc.edu/academics/departments/digital-photography.

Software and/or Hardware Requirements: Students taking courses in this curriculum may need to own or have access to hardware or software to pursue this degree. This is particularly important for students who are enrolled in online/distance learning sections of a particular course. Check with the program advisor to discuss specific course needs and options.

ADMISSION REQUIREMENTS:

This is a non-selective, open-admission program.

ONGOING REQUIREMENTS:

Students must maintain the minimum overall GPA required by the College.

OPPORTUNITIES FOR GRADUATES:

Career:

The career opportunities are diverse and multi-varied as we enter the new creative economy based on digital literacy and image management. The job opportunities can range from retail and commercial photography positions that all utilize Photoshop retouching, as well as other professional, scientific and technical industries that use Photoshop and photography as a component of their workflow methods.

Transfer:

We have 2+2 transfer agreements with Franklin University (for the business direction) and a 2+2 with Columbus College of Art and Design (for the artistic direction) with both schools offering our students scholarships. Also, students who complete this certificate will have the courses apply to the Digital Photography A.A.S. degree.
