

Sport and Exercise Studies: Sport Management Associate of Applied Science (A.A.S.)

2018–2019

DESCRIPTION:

A degree in Sport Management is designed to prepare students for a career in the extensive and growing field of sport management at the amateur, semi-professional, and professional level. Objectives for this major are designed to provide students with a series of courses and experiences that will prepare them for positions and careers in management, leadership, planning and development, financial administration, legal aspects, and public relations within the sport field. Students enrolled in the Sport Management A.A.S. degree program are prepared to deliver professionally-based skills to a diverse industry. Professionals engaged in sport management are proficient in leadership, planning, budgeting, organization, and promotion in a variety of sport settings in both professional and non-professional organizations. For further information please visit cscscc.edu/academics/departments/sport-exercise-studies/ or email sesinfo@cscscc.edu to schedule an appointment within the Sport & Exercise Studies program.

ADMISSION REQUIREMENTS:

This major does not have a selective admission process. Applicants must have a high school diploma or GED equivalency, and completion of Columbus State enrollment process.

ONGOING REQUIREMENTS:

Each semester students must schedule an appointment within the Sport & Exercise Studies program to review their degree completion plan and schedule upcoming semester courses.

OPPORTUNITIES FOR GRADUATES:

Career:

Students enrolled in this major pursue careers with professional and semi-professional and amateur sport teams, high school, college and university athletic departments, compliance departments, and community engagement.
