

Associate of Arts, Studio Art Bachelor's Degree Transfer Major 2018–2019

DESCRIPTION:

The Associate of Arts degree is designed to satisfy the first two years of a bachelor's degree in majors that don't require advanced math or science. Formal agreements have been made with colleges and universities which allow for coursework taken in the Associate of Arts degree program at Columbus State to transfer and apply to a bachelor's degree.

The Associate of Arts, Studio Art transfer major guides students in the cultivation of visual communication skills through the creation and analysis of works of art. Emphasis is placed on the creation of a portfolio as it is integral to the application process for most Bachelor of Fine Arts programs.

ADMISSION REQUIREMENTS:

Students may begin this degree during any semester upon admission to the college. Eligibility for specific courses will be determined by evaluation of ACT or SAT scores, previous college credits, and Columbus State placement testing results (if required). Course descriptions and prerequisites are outlined in the Columbus State catalog at <http://www.csc.edu/academics/catalog/>.

ONGOING REQUIREMENTS:

All students must satisfactorily complete at least 61 credit hours of approved courses (a minimum of 20 credit hours must be completed at Columbus State) with an overall grade point average of 2.0 or better for all college-level courses completed at Columbus State. Consult with an Arts and Sciences Academic Advisor for Columbus State degree and graduation planning, assistance with developing and achieving academic goals, and information about transfer resources. Students should research program and admission requirements for their specific intended four-year institution and major early in their college career.

OPPORTUNITIES FOR GRADUATES:

Transfer:

The Associate of Arts, Studio Art transfer major is designed for students who are planning to transfer to a four-year college or university with the goal of completing a Bachelor's of Arts (B.A.) in Fine Art. Graduating with the Associate of Arts degree includes completion of the Ohio Transfer Module. As a result, Associate of Arts graduates have fulfilled most of their general education requirements and once admitted to the four-year program, will be focused on upper-level major courses.

Career:

Research educational requirements, expected earnings, and job market predictions using the online Career Coach tool at <http://csc.edu/emsicc.com>.

DEGREE REQUIREMENTS (A.A., STUDIO ART):**FIRST SEMESTER**

Course	Term	Credits	Milestones/Progress Check
