

# FIND YOUR FUTURE AT COLUMBUS STATE

Spring/Summer 2025  
Visit Guide

COLUMBUS STATE  
COMMUNITY COLLEGE

Discover your path to an in-demand career or top four-year university at one of Columbus State Community College's upcoming events. To get the big picture of the full Columbus State experience, join us for an **Adult Open House** or **College Visit Day**. To drill down and learn about a specific academic program, attend a **Program Spotlight**. Whatever you choose, we're here to help you find the education you need for the career you want.

### **What can Columbus State offer you?**

- Education and training you need to access well-paying jobs in central Ohio's hottest industries.
- A high-quality, affordable path to a bachelor's degree.
- An opportunity to start your career without the burden of college debt.

***But don't take our word for it. Come see for yourself!***

# BUILD YOUR **FUTURE!**

## **Technation Day**

There is an insatiable demand for engineering technicians in central Ohio, so we're building a Technation. Join us for an insider's view of our Engineering Technology programs. Tour our learning labs and meet current students, faculty, advisors, and industry leaders who can help you take the next step to a great career — faster and more affordably than you thought possible! Wherever you are in the admissions process, join us for CState Technation Day and take the next step toward choosing Columbus State and building your future.

*Wednesday, April 9, 4:30–6:30 p.m.*

 Register at [csc.edu/technation](https://csc.edu/technation)

# FIND YOUR CAREER PATH AT COLUMBUS STATE

To learn more about in-demand career paths and how the right degree can get you there, sign up for an Industry Info Session. You'll also receive an overview of the college, learn about our majors, and participate in a Q&A session. To see a full list of dates, and to register, visit [csc.edu/visit](https://csc.edu/visit)

## **ENGINEERING TECHNOLOGY | Industry Info Sessions**

Central Ohio is a hub for companies making cutting-edge products like powerful microchips, electric cars, and life-saving medicines. Engineering technicians are responsible for keeping those high-tech operations running smoothly, and they're in demand. Columbus State sets the standard for engineering technology education in central Ohio and we have a proven track record of launching graduates into successful, well-paid careers. Join us at an info session to learn more. Register at [csc.edu/engineeringtech](https://csc.edu/engineeringtech)

## **HEALTH CARE | Industry Info Sessions**

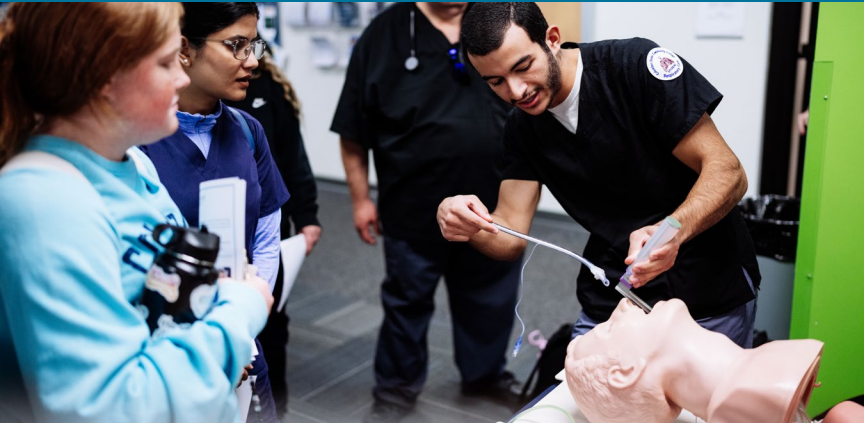

Health care is one of the fastest growing industries in Ohio and across the country. Right here in our community, we need to add 9,000 more health care workers by 2028 to care for a growing, aging population. And that's not just doctors and nurses — careers in medical imaging, respiratory therapy, surgical technology, and sterile processing are surging. Many of these careers are accessible with a certificate or two-year degree from Columbus State. Join us at an info session to learn more. Register at [csc.edu/healthcare](https://csc.edu/healthcare)

## **HOSPITALITY MANAGEMENT AND CULINARY ARTS | Industry Info Sessions**

Experienced faculty, hands-on learning opportunities, cutting edge kitchens — our School of Hospitality Management and Culinary Arts program has all the ingredients you need to launch a successful career. Learn more and get a tour of Mitchell Hall, our innovative culinary arts facility that opened in 2019. Register at [csc.edu/hospitality](https://csc.edu/hospitality)

## **INFORMATION TECHNOLOGY | Industry Info Sessions**

Central Ohio is a tech boomtown where Fortune 500 companies and startups drive innovation through IT. With degrees and certificates in software development, cybersecurity, network administration, and more, Columbus State can help you prepare for a well-paid IT career. Join us at an info session to learn more. Register at [csc.edu/informationtech](https://csc.edu/informationtech)

### Aviation Technology Career Fair

Network with local and national aviation organizations and learn about Columbus State's aviation maintenance technology degree. No need to register — join us at our Bolton Field location and explore careers in the aviation industry.

*Thursday, July 17, 11 a.m.–1 p.m.  
Southwest Center at Bolton Field  
5355 Alkire Road, Columbus*

### PROGRAM SPOTLIGHTS

- Interpreter Education Program/ASL
- Massage Therapy
- Medical Assisting
- Medical Imaging
- Medical Laboratory Technology
- Pharmacy Technician
- Phlebotomy
- Respiratory Care
- Surgical Technology

While Industry Info Sessions provide a broad overview and touch on multiple majors, Program Spotlights focus on specific academic programs. To learn more about the majors listed above, including any additional admission steps, sign up at [csc.edu/spotlight](https://csc.edu/spotlight)

## STEM Summer Bridge Program

If you plan to enroll in our Associate of Science major starting this fall, don't miss STEM Summer Bridge! This free program gives new students a head start navigating campus. Meet faculty and other students interested in science, technology, engineering, and math. Discover all the student support services available to you and learn strategies to help make the jump to a college curriculum. Learn more and register at [csc.edu/STEMBridge](https://csc.edu/STEMBridge)

*Monday–Thursday, Aug. 25–28*

## Delaware Day

Discover everything our Delaware Campus has to offer. Join us for food, interactive experiences, and a resource fair! You'll get a chance to explore the campus, meet faculty, and learn about different programs and student resources. You'll also learn about the next steps to enroll, and tips to earn your degree debt-free. Register at [csc.edu/Delaware](https://csc.edu/Delaware)

*Thursday, April 24, 4:30–6:30 p.m.*

-  To sign up for a walking tour of campus and learn more about Columbus State Delaware, visit [csc.edu/Delaware](https://csc.edu/Delaware)

# FIND YOUR PLACE AT COLUMBUS STATE

**College Info Sessions** — College Info Sessions are held regularly at the Columbus Campus and Delaware Campus. Attend an info session to learn about the admissions process, our academic programs, financial aid, student life, and student support services. You'll also participate in a walking tour of campus and a Q&A session. View times and register at [csc.edu/visit](https://csc.edu/visit)

**Visit Days** — Discover everything Columbus State has to offer during an in-depth Visit Day. Hear the experiences of current students on different college and career paths. Learn how to access a quality education without taking on college debt. Consider degree and major options that will prepare you to transfer to one of our four-year partner universities or launch your career as soon as possible. Find out the next steps to enroll. Register at [csc.edu/visit](https://csc.edu/visit)

*Saturday, March 22, 8:15 a.m.–noon*

*Friday, April 11, 8:15 a.m.–noon*

*Friday, July 18, 8:15 a.m.–noon*

**Adult Open Houses** — If you're an adult student returning to school or considering college for the first time, we have an Open House just for you! At Columbus State, we understand the unique needs of students who are attending college while working, taking care of families, and fulfilling other responsibilities. Join us to learn about the admissions process, our academic programs, online and in-person course options, and financial aid. You'll also hear about our support services for student parents, military veterans, and more. Register at [csc.edu/visit](https://csc.edu/visit)

*Wednesday, March 26, 4:30–6:30 p.m.*

*Wednesday, May 7, 4:30–6:30 p.m.*

*Wednesday, June 11, 4:30–6:30 p.m. (Delaware Campus)*

*Wednesday, June 25, 4:30–6:30 p.m. (Dublin Center)*

*Wednesday, July 23, 4:30–6:30 p.m.*

Register for a **college info session, visit day, or adult open house** at [\*\*csc.edu/visit\*\*](https://csc.edu/visit)
