

FIND YOUR FUTURE AT COLUMBUS STATE

Spring/ Summer 2023
Visit Guide

COLUMBUS STATE
COMMUNITY COLLEGE

Discover your path to an in-demand career or top four-year university at one of Columbus State's upcoming events. Whether you're joining us for an open house to get the big picture of the Columbus State experience or for a career-specific info session, we're here to help you find an education and career path that's right for you.

What can Columbus State offer you?

- Education and training you need to access well-paying jobs in central Ohio's hottest industries.
- A lower cost pathway to a high-quality four-year degree.
- An opportunity to start your career without the burden of college debt.

But don't take our word for it. Come see for yourself!

SUMMER CAMPS | Career Exploration for High School Students

We host a variety of free, fun, educational summer programs for students completing grades 8-12 during the 2022-2023 school year. Roll up your sleeves, learn actively, and explore exciting career paths that interest you at our summer camps and college bridge programs.

Discover the careers in high-demand by employers like Intel, Honda, Andelyn Biosciences, Nationwide, and others through our summer camps in advanced manufacturing, engineering, and information technology:

Engineering Basics Summer Camp | June 5-9

Additive Manufacturing Summer Camp | June 12-16

Robotics Summer Camp | June 20-23

GenCyber Summer Camp | June 26-30

Learn more and register at cscs.edu/summercamps

ADVANCED MANUFACTURING CAREER EXPLORATION EXPO

When the world's leading companies invest millions to build new manufacturing facilities and create thousands of good jobs in your community, it's a really big deal. Columbus State can make this a really big deal for you.

Join us for a Manufacturing Mindshift event coming to your community this spring/summer, learn about new career opportunities in advanced manufacturing, and discover the education and training programs (accelerated, short-term, and two-year degree) that will prepare you for a rewarding, well-paying career in:

- Semiconductor Manufacturing
- Biomanufacturing
- Pharmaceutical Manufacturing
- Manufacturing and Production

 [Register at cscs.edu/mfg](https://cscs.edu/mfg)

INFORMATION TECHNOLOGY FLEXIBLE APPRENTICESHIP | Info Sessions

Looking to launch a career in IT, one of the fastest-growing fields in our region? Want to earn a competitive wage while still in school with the opportunity to gain full-time employment upon graduation? Our IT Flexible Apprenticeship provides you with the tools to take advantage of the booming tech industry in central Ohio. Join us for biweekly virtual info sessions Feb. 14 – May 18, to learn more.

 [To see a full list of dates, or to register, visit: cscs.edu/itfa](https://cscs.edu/itfa)

AUTOMOTIVE TECHNOLOGY CAREERTECH NIGHT

Join us to learn about our Automotive Technology program, where students gain hands-on experience and leave with the knowledge needed to excel in this growing field. We are also proud to hold partnerships with industry leaders across central Ohio. These partners, along with faculty, will educate you on how Columbus State's curriculum prepares graduates for a career in the automotive industry. You will also get the chance to tour our state-of-the-art facility.

Wednesday, April 26, 6 - 7:30 p.m.

 [Register at cscs.edu/autotech](https://cscs.edu/autotech)

AVIATION MAINTENANCE SPRING OPEN HOUSE

Join us to celebrate the 55th anniversary of Columbus State's Aviation Maintenance Technician Program! Tour Bolton Field and hear from current students and alumni of the program about how their experience at Columbus State prepared them for exciting careers in a well-paying industry.

Saturday, April 22, Noon - 2 p.m.

For Educators

Columbus State is your partner in preparing students for college and career success. Learn more about our events for educators below.

IN-PERSON GROUP VISITS BY REQUEST

Arrange a customized visit to campus for you and your students. We'll introduce your group to the Columbus State experience with an overview of academic and career programs and a tour of our campus. We'll also give them tips on paying for college without taking on major debt, including the College Credit Plus and Preferred Pathway 2+2 programs. Is there a specific topic you want your students to hear more about? Let us know in advance and we'll customize your presentation.

▶ Request a group visit at cscc.edu/hscounselors

FAFSA Workshops

Join us for a crash course on financial aid and how to fill out your FAFSA information. FAFSA workshops will feature a presentation on what the FAFSA is, the types of financial aid available to students, and students will be guided through the process of filing their FAFSA.

▶ Register at cscc.edu/fafsaworkshops

DISCOVER **YOUR PATH** TO A ZERO-DEBT DEGREE

FIND YOUR FIT AT COLUMBUS STATE

Attend an Open House

Discover everything Columbus State has to offer. Hear the experiences of current students on different college and career paths. Learn how to access a quality education without taking on great college debt. Consider degree and major options that will prepare you to transfer to one of our four-year partner universities or launch your career as soon as possible. Find out the next steps to enroll.

Join us in person: *Monday, Feb. 20, 9 a.m. - Noon*
Saturday, March 25, 9 a.m. - Noon
Friday, April 28, 9 a.m. - Noon

JOIN US FOR DELAWARE DAY

Join us at this special open house to learn about completing your associate degree on our Delaware Campus, transferring to four-year universities, and earning your college degree debt-free in a learning environment that works for you. Talk with current students and learn about our programs with hands-on activities!

Tuesday, April 18, 5 - 7 p.m.

INFO SESSIONS | Delaware Campus

Learn more about what sets the Delaware Campus apart by hearing about transfer pathway options, academic areas, and what degrees can be earned entirely on the Delaware Campus.

Join us in person Feb. 24 - May 26 on the last Friday of the month from 9 to 10:30 a.m.

More Ways to Explore Columbus State

CSTATE INFO NIGHTS – Join us in person for a one-hour session about the college, its academic programs, career and transfer options, student life, scholarships and low tuition, convenient locations, and much more. Info sessions will be hosted several days a week, focusing on programs such as Advanced Manufacturing, Construction and Skilled Trades, Automotive, IT, Healthcare, and more!

 To see a full list of dates, or to register, visit: csc.edu/visit

CAMPUS TOURS – Take a campus tour and chat with our Admissions counselors.

PROGRAM SPOTLIGHTS – Whether you know “what you want to be when you grow up” or you’re still deciding, we’re here to help you find a career that fits your interests and experiences. Attend a program spotlight to learn more about our specific career and education pathways.
