

FIND YOUR FUTURE AT COLUMBUS STATE

Autumn 2023
Events Guide

COLUMBUS STATE
COMMUNITY COLLEGE

Discover your path to an in-demand career or top four-year university at one of Columbus State Community College's upcoming events. Whether you're joining us for a visit day to get the big picture of the Columbus State experience or for a career-specific info session, we're here to help you find an education and career path that's right for you.

What can Columbus State offer you?

- Education and training you need to access well-paying jobs in central Ohio's hottest industries.
- A lower cost pathway to a high-quality four-year degree.
- An opportunity to start your career without the burden of college debt.

But don't take our word for it. Come see for yourself!

ENGINEERING TECHNOLOGY DAY AT COLUMBUS STATE

Build Your FUTURE!

Wednesday, Oct. 18 in Mitchell Hall, Columbus Campus

9 a.m. – 12:30 p.m. (high schoolers)

5–7 p.m. (adults and career-changers)

Global leaders in high-tech manufacturing are making historic investments in the Columbus region, creating thousands of good-paying jobs with benefits, work-life balance, and the satisfaction of building products that make our world smarter, safer, healthier, and cleaner. A degree or certificate in Engineering Technology

from Columbus State is your path to a career in semiconductors, biomanufacturing, gene therapy production, auto, electric vehicle and fuel cell manufacturing, pharmaceutical production, and much more.

Learn about robotics, automation, electrical and mechanical systems, clean room practices, and how to operate and maintain the world's most sophisticated machines. Hear from employers like Intel, Honda, Amgen, Andelyn Biosciences, Forge Biologics, Worthington Industries, and more, about how engineering tech helps them bring their products to life and why they consider Columbus State the premier education and training partner for their workforce.
