

Frequently Asked Questions

1. How long does the program take?

The length of the program varies from student to student. Your score on the TABE® will determine how many classes you need and how long the program will take.

2. How old do I have to be to participate in the program?

You must be 14 or older to take GED classes at Columbus State. However, be aware that the Ohio GED® testing program requires all test-takers under the age of 19 to submit additional paperwork to be eligible to take the exam. See our website for a link to the forms:
www.csc.edu/community/ged

3. Can I receive financial aid?

Federal financial aid is cannot be used to pay for non-credit classes.

4. I had an IEP in school. Does that count here?

Yes, but you must first register with Disability Services. For more information, contact 614-287-2570.

5. Where do I take the GED?

You will need to go to GED.com to create an account and register for the test.

Already Have a GED/HS Diploma?

- GRE Testing
- Job Advancement
- Nursing Exams

Services for Businesses

Workforce development is crucial as organizations look to optimize their learning and performance strategy to best address current challenges and drive business success.

We can help you work through these organizational challenges with training in basic math/reading/writing skills, foreign language skills and basic computer skills.

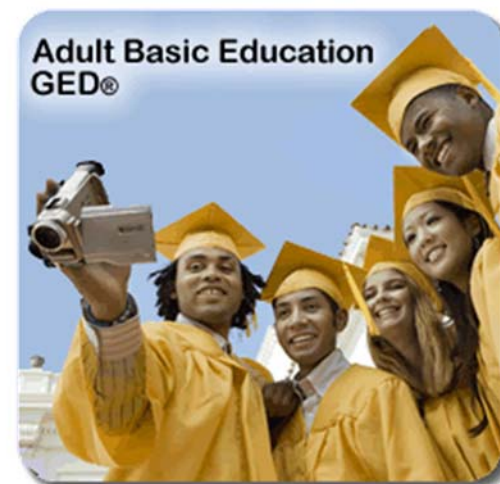

Our courses can be customized to meet particular needs or business focus. They can be held at a company's preferred training site or any of our campuses and regional centers.

Course length is determined by the amount and type of material to be covered — from a two-hour workshop to an 8-week course. Scheduling is flexible and can be coordinated to fit your needs.
