Access to CurriQunet and related training materials is provided by the **Office of Curriculum**Management. If you do not yet have access, contact the office at <a href="mailto:registrar@cscc.edu">registrar@cscc.edu</a> to request login credentials and training information.

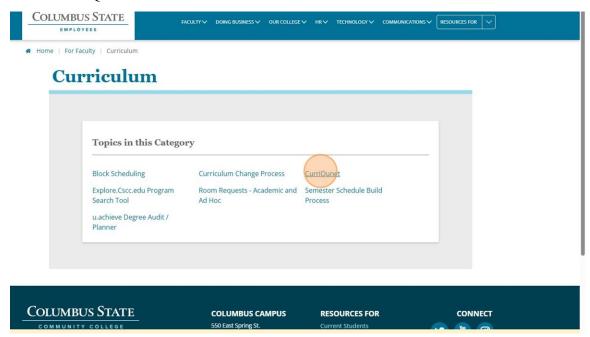

- 1. Go to www.cscc.edu.
- 2. From the homepage, click "Resources for" in the top navigation bar.
- 3. Select "Employees" from the dropdown menu.

4. Under "Faculty", click "Curriculum."

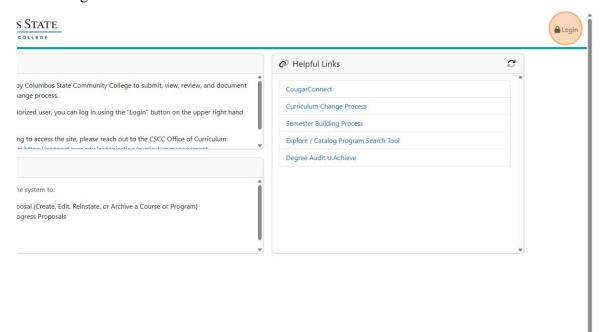

5. Click "CurriQunet."

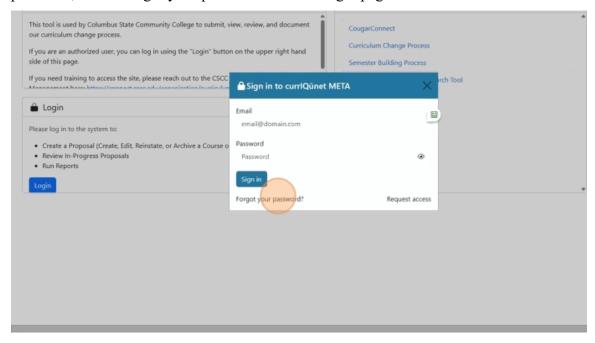

6. This page has a variety of resources, including a link to schedule additional training if you need additional assistant beyond the guides. Click "CurriQunet" again to access the login page.

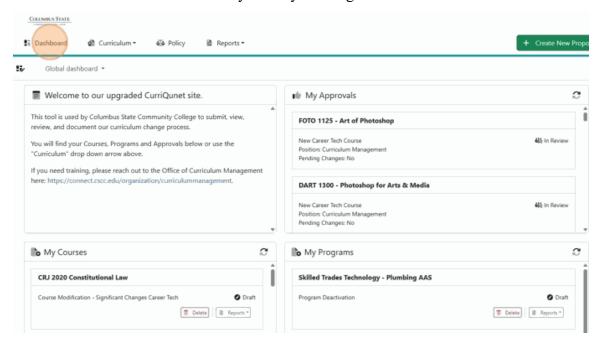

7. Click "Login"

8. Enter your Columbus State email address and your self-generated CurriQunet password. Note: This password is not your Columbus State network/email password. If you have forgotten your password, click "Forgot your password?" on the login page to reset it.

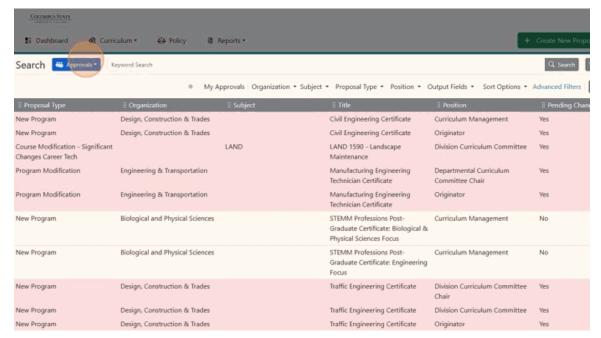

9. After logging in, you will be directed to the **Dashboard**. The **Dashboard** is CurriQunet's home screen in. You can return to it at any time by clicking the **Dashboard** button.

- 10. From the **Dashboard**, use the **Curriculum** dropdown menu to view and manage items such as:
  - a. Approvals proposals awaiting review or approval
  - b. Courses active, in-review, in-development, or historical courses
  - c. **Programs** active or historical degree and certificate programs

Selecting any of these will open the relevant records for review or editing.

11. At any time, click **Dashboard** to return to the CurriQunet home screen.
