

Approved CCP Student Communication for Autumn Semester 2020

Dear Columbus State College Credit Plus Student,

Due to COVID-19 (Coronavirus) safety concerns the physical Columbus State Bookstore location will be closed for Autumn Semester 2020. Eligible CCP students with a bookstore voucher will still be able to purchase all required course materials and supplies for classes on the Bookstore website with **free** UPS ground shipping until 10/31/2020 on all orders at bookstore.csc.edu.

Students must have approved funding for orders to be processed. The Columbus State Bookstore will send a notification to your Columbus State email when your bookstore voucher is open and available to use online. **Autumn Semester accounts will begin opening August 18, 2020. You must follow the email notification instructions to place an order.**

Your Columbus State CCP advisor will notify you by email once your registration has been processed. Confirm your courses are eligible for CCP funding and [register your courses](#) before the start of the semester. If you have registered for on-campus or online CCP classes and have not received a notification about your voucher by August 28, please contact your CCP advisor for assistance.

Please note: the high school will distribute required course materials to students enrolled in any high school sections on their class schedule. These courses show as 8000 level on your schedule (example: PSY-1100-8230 or PSY-1100-W8223).

The textbook and calculator collection by the Bookstore for participating schools will be postponed until further notice. The Bookstore will communicate any outstanding books to your School District, so you may hear further instructions from your school, or you can contact your high school to determine if the school would like materials returned to them.

Please note this information may be subject to change if there are updates at a federal, state or county level as a result of the pandemic. For up to date CCP voucher information, please visit the [Bookstore CCP page](#) or email us with any questions at csbookstore@csc.edu (include full name and Cougar ID).

Thank you.

The Columbus State Bookstore
