

How to enable the Access Pearson Codeless experience

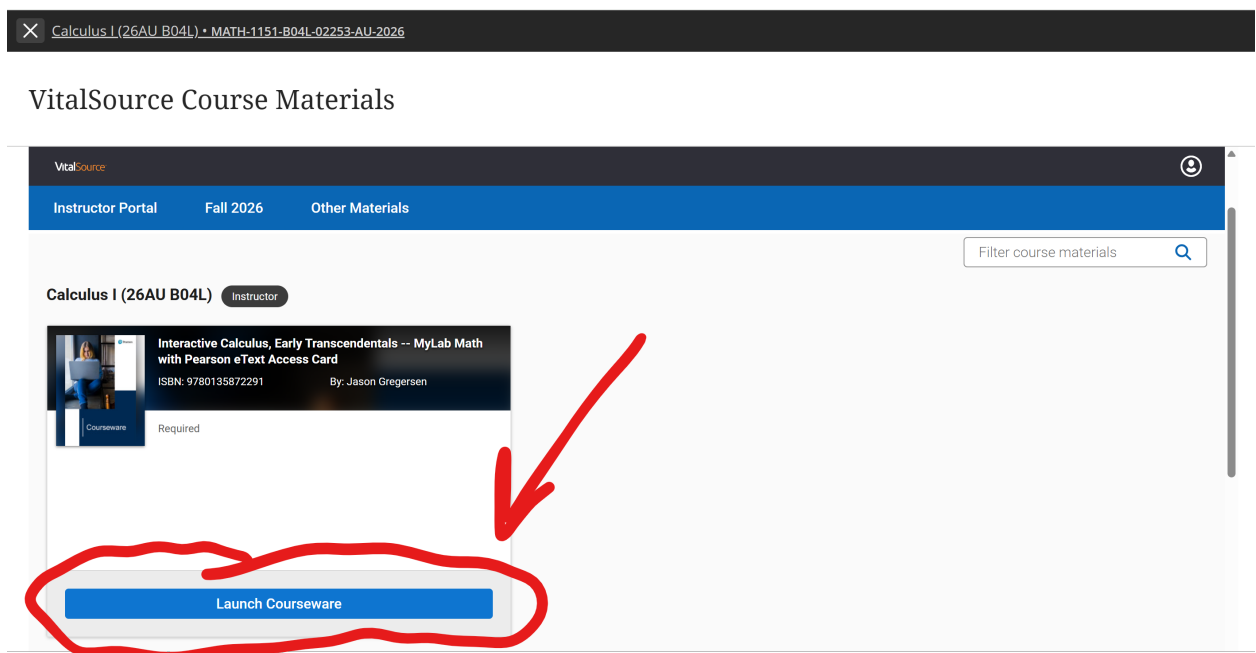

0. **IMPORTANT:** You must first link your BB Ultra course section to Pearson using the “Access Pearson” link as described in the other document. Instant Access (IA) cannot be linked unless that is done first.
1. Click on the link below **Books & Tools** on the right side of the Ultra page:

2. Scroll down to **VitalSource Course Materials** and click that link (**do NOT click the + sign unless you want to add it to your menu**):

3. Click **Launch Courseware**:

4. If all is successful, you should see this screen afterward:
