**SECTION II: ADJUSTMENTS TO FEDERAL DIRECT LOAN AWARDS**

Columbus State wants to help you keep your student loan debt low. *Consider* your tuition, fees, and your personal budget when deciding how much loan money to request. You can consult with a Columbus State representative at the locations listed at the top of this form, or by phone at 614-287-5353, if you would like help determining how much loan money you will need.

**Direct Subsidized Loan:** Interest is paid by the Federal government while you are enrolled at least half-time (6 hours or more).

**Direct Unsubsidized Loan:** You are responsible for the interest which begins at the time the loan money is sent to CSCC. Borrowing this type of loan increases the amount you will need to repay. See [www.studentaid.ed.gov/sa/types/loans](http://www.studentaid.ed.gov/sa/types/loans) for details on Federal Direct Loans.

**INSTRUCTIONS**

**Step 1:** Review the **Annual Federal Student Loan Limits** chart below to help determine how much aid you're eligible to request.

**Step 2:** Enter the total amount you're requesting for each semester. Include already accepted loan amounts OR write \$0 if you wish to cancel any semester of Federal Student Loans.

- Columbus State will meet as much of your total loan request as possible with subsidized funds and will offer unsubsidized funds as necessary to complete your loan request.

**Step 3:** In 2-4 business days check your Financial Aid offer in Financial Aid Self-Service to view/accept/decline loan amounts. **If you requested additional loan funds, you are required to review the loans and take action to accept or decline the new loan in Financial Aid Self-Service.**

In the spaces below, enter the **total** whole dollar amount of **Federal Loans** you are requesting for each semester. Make sure to include amounts already accepted/awarded/received.\*\*

**Autumn 2019: \$** \_\_\_\_\_ **Spring 2020: \$** \_\_\_\_\_ **Summer 2020: \$** \_\_\_\_\_

*Do not use "Max" when requesting an amount – use whole numbers only. Forms with "max" as an amount will NOT be processed. A new form would need to be submitted.*

By checking this box, I decline any **Unsubsidized** Loan money needed to meet my total loan request. I understand this could result in a smaller loan amount.

I acknowledge that making changes to **any** award(s) for which I have received a disbursement **may** result in a balance that I am responsible for repaying to Columbus State Community College.
