INSTRUCTIONS FOR COMPLETION OF HEALTH RECORD

1. Please read and follow all instructions so we can process your records as quickly and accurately as possible. If you do not follow instructions or do not submit **complete information**, processing of your health record might be delayed, which might delay your ability to register into your courses. ***All information must be completed before you will be eligible to register.***
2. Answer all questions. If the answer is “no, none, not applicable”, write that as your answer. Make certain you have entered your program of study above so we will know which requirements apply to you.
 If you have had a physical examination within the past year you can submit that documentation rather than have another physical at this time IF all of our needed information is on your documentation.
3. It is **your responsibility**, not your physician’s, to make certain that all health requirements have been completed and documentation of all items is submitted to the college. Please verify that you have the appropriate documents prior to submitting them to the college.
4. **Remember to make photocopies of this record for your own file prior to submitting your documents to the Health Records Office.**
5. **Allow up to five business days to process your health records.** Records are processed in the order in which they are received. If your health records are submitted **less than five business days** prior to the beginning of the registration period, we cannot guarantee that we can process them before the first day of registration.
6. **Submit completed health record to: Columbus State Community College, Health Records Office, Union Hall Room 132, 550 East Spring Street, Columbus OH 43215; or fax to 614-287-5386, including current name and Cougar ID on all faxed pages. You may also email your Health Record to healthrecords@csc.edu **Emails will only be accepted from your student email account (@student.csc.edu); documents must be scanned in pdf format, no photos.** QUESTIONS?? Call 614-287-2450**

The information you are reporting to Columbus State Community College is used to provide health information required by the college’s clinical affiliates, and to verify your ability to perform essential functions of the clinical tasks safely.

It is the policy of Columbus State Community College not to discriminate against any individual. This assurance of non-discrimination includes applicants for academic admission, and shall be applied regardless of sex, race, color, religion, national origin, ancestry, age, disability, genetic information (GINA), military status, sexual orientation, and gender identity and expression.

I certify that the health information I have given is accurate and complete. I understand that providing false information on this document is a serious offense which will result in disciplinary action. I understand that if my health, physical condition, or physical abilities change during my enrollment in a health-related program at Columbus State Community College I must report these changes to my program coordinator and to the Health Records Office. I understand that physical exam and tuberculin testing results may be released to clinical sites prior to my clinical/practicum experiences. I understand that conditions which may affect my ability to perform essential functions of the clinical tasks or which may affect my ability to function with safety for myself and/or others might be discussed with my department chair or program coordinator.

Tuberculosis Testing

Name: _____

Cougar ID or SS#: _____

Tuberculosis Testing

A TB Skin Test is required **annually** to participate in health related programs. This consists of a small needle being used to put some testing material, called tuberculin, under the skin. In 2-3 days, you return to the health care worker who will check to see if there is a reaction to the test. Tb tine tests are not acceptable per state regulations. If the student recently received an MMR or varicella vaccine, the tuberculosis test must be postponed until at least four to six weeks after the MMR.
