Semester to Begin Program: ____________________ E-mail:__________________________

INSTRUCTIONS FOR COMPLETION OF HEALTH RECORD

1. Please read and follow all instructions so we can process your records as quickly and accurately as possible. If you do not follow instructions or do not submit **complete information**, processing of your health record might be delayed, which might delay your ability to register into your courses. ***All information must be completed before you will be eligible to register.***

2. Answer all questions. If the answer is "no, none, not applicable", write that as your answer. Make certain you have entered your program of study above so we will know which requirements apply to you.
If you have had a physical examination within the past year you can submit that documentation rather than have another physical at this time IF all of our needed information is on your documentation.

3. It is **your responsibility**, not your physician's, to make certain that all health requirements have been completed and documentation of all items is submitted to the college. Please verify that you have the appropriate documents prior to submitting them to the college.

4. **Remember to make photocopies of this record for your own file prior to submitting your documents to the Health Records Office.**

5. **Allow up to five business days to process your health records.** Records are processed in the order in which they are received. If your health records are submitted **less than five business days** prior to the beginning of the registration period, we cannot guarantee that we can process them before the first day of registration.

6. **Submit completed health record to: Columbus State Community College, Health Records Office, Union Hall Room 132, 550 East Spring Street, Columbus OH 43215; or fax to 614-287-5386, including current name and Cougar ID on all faxed pages. You may also email your Health Record to healthrecords@cscc.edu Emails will only be accepted from your student email account (@student.cscc.edu); documents must be scanned in pdf format, no photos. QUESTIONS?? Call 614-287-2450**

Do you have a sensitivity or allergy to **latex**? No_____ Yes_____

If yes you will need to complete the "Latex Reaction Form" which can be accessed from the college's web site at http://cscc.edu/services/hr_pdf/LatexReactionForm.pdf . Print the form, complete your portion, and then give the form to your physician to complete his or her portion. Your completed Latex Reaction Form must be submitted with the rest of your health record forms.

List all allergies and sensitivities you have including medications, food, & environmental:

____

____

____

List all surgical operations you have had with the date:

____

____

____

List all current health conditions you have:

____

____

The information you are reporting to Columbus State Community College is used to provide health information required by the college's clinical affiliates, and to verify your ability to perform essential functions of the clinical tasks safely.

It is the policy of Columbus State Community College not to discriminate against any individual. This assurance of non-discrimination includes applicants for academic admission, and shall be applied regardless of sex, race, color, religion, national origin, ancestry, age, disability, genetic information (GINA), military status, sexual orientation, and gender identity and expression.

I certify that the health information I have given is accurate and complete. I understand that providing false information on this document is a serious offense which will result in disciplinary action. I understand that if my health, physical condition, or physical abilities change during my enrollment in a health-related program at Columbus State Community College I must report these changes to my program coordinator and to the Health Records Office. I understand that physical exam and tuberculin testing results may be released to clinical sites prior to my clinical/practicum experiences. I understand that conditions which may affect my ability to perform essential functions of the clinical tasks or which may affect my ability to function with safety for myself and/or others might be discussed with my department chair or program coordinator.

Tuberculosis Testing

Name: ____

Tuberculosis Testing

Two-Step Mantoux (intradermal) is required. This involves two Tb Mantoux tests at least 7 days apart and within the last year. Two or three days after each Tb test is given it must be read by the physician, nurse, or physician's assistant. Tb tine tests are not acceptable per state regulations. Two Mantoux tests within the past year can be substituted per state regulations. If the student recently received an MMR or varicella vaccine, the tuberculosis test must be postponed until at least four to six weeks after the MMR.

Tb#1
Date given: __________
Date read: ___________
Result: ______________mm

Read by: _____________________

Tb#2 At **least 7 days after the first Tb test**:
Date given: ______________
Date read: ______________
Result: _________________mm

Read by: _________________________

If this test or a previous test is positive: Submit documentation of positive PPD and a negative chest x-ray report from within the past five years. If your previous chest x-ray or positive PPD has been more than a year ago, please complete an Annual Health Evaluation form found at http://cscc.edu/Students/FormsPDF/health/Annual.pdf.

Columbus State Community College Veterinary Technology Program
Rabies Pre-Exposure Vaccination Declination Form

Statement:

I understand that due to my educational risk of being bitten by animals, there is a potential danger of acquiring the rabies virus. I have been advised that by declining immunization, I may not only be at risk of acquiring rabies, but I may also be denied participation in clinical internship experiences at certain private practices due to the rules and regulations of those external facilities. I understand that lack of participation in clinical internship experience courses may prevent my graduation from the Veterinary Technology Program.
