## **Ohio's Senate Bill 126 – Collin's Law**

The bill requires each public and private institution of higher education in Ohio to adopt an anti-hazing policy and publish it on its website. The policy must include rules prohibiting hazing; a method to enforce the policy; and penalties for such behavior, including fines, the withholding of a diploma or transcript, revocation of permission for an organization to operate on campus, probation, suspension, dismissal, and expulsion.

**The Ohio Anti-Hazing Act Sec. 2903.311(B)** states: No administrator, employee, faculty member, teacher, consultant, alumnus, or volunteer of any organization, including any primary, secondary, or post-secondary school or any other public or private educational institution, who is acting in an official and professional capacity shall recklessly fail to immediately report the knowledge of hazing to a law enforcement agency in the county in which the victim of hazing resides or in which the hazing is occurring or has occurred.

**Collin's Law requires Columbus State Community College to report hazing violations for the last five years.**

- **2022-2023 Academic Year Report:** the college has determined that there has been no anti-hazing violations for the last five years.
